

2017 Newborn Basics Groups

Wouldn't it be nice if babies came with a guide book? HealthNet's Newborn Basics Groups offer the chance to learn more about caring for your newborn in the first month of life. This includes "The Happiest Baby on the Block" soothing techniques. You will get a snack, BABE coupon and a baby item.

Register

You can sign up for a group 3 ways: at your health center visit, online through your Patient Portal, or call 317-957-2022. If you have already had your baby, feel free to bring your baby with you. Please have child care plans for older children. This class is free as a part of your OB care.
